

## MAKING A DESIGN ENTRANCE SAFE

### BURGLARPROOF (RC2) ENTRANCES

Dear Sir / Madam,

Developing the safest entrances without any concessions to the design. This is what makes Bauporte design entrances unique. We hope these recent safety door projects will inspire you!

#### Burglar proof revolving doors Van Gogh Museum

2,100,000 Visitors a year are entering and exiting out the Van Gogh Museum through the Bauporte revolving doors.
