

Case Study

BESPOKE 4-STAR LUXURY DESIGN HOTEL ENTRANCE WITH ROYAL FULL VISION RFV 3400 AY NSWA AND 2 ELEGANCE BDD1A1 TALL, ROOM MATE AITANA, AMSTERDAM, THE NETHERLANDS

Room Mate Aitana is a modern design hotel built in 2013. It graciously rests on a man-made island over the IJ River overlooking Amsterdam's downtown. The hotel features a yacht dock, 7 meeting rooms and 285 rooms with state of the art equipment and a dashing lounge area to see and be seen. The hotel is decorated by Tomás Alía and named after one of the owner's children.

Aitana is located in the city's Business Centre, next to Amsterdam's new Justice Palace.

Bauporte Design Entrances BV designed, manufactured, installed and performs maintenance to the Royal Full Vision RFV 3400 AY NSWA TALL revolving door and 2 Elegance BDD1A1 TALL automatic pass doors.

The architects of the hotel wanted a transparent design and have been very successful in their objective. The facades are made solely from glass, which has been attached to an aluminium frame. The impressive glass entrance is equipped with a draft preventing tall revolving door standing inside of the building. On both sides of the revolving door a tall automatic pass door for big stuff and wheel chairs. The revolving door has an in ground air curtain and special NSWA night security door. The drives off all the doors are installed in ground.
